TRADE IN. MAKE INNOVATION WORK WITHIN YOUR BUDGET

CAMPAIGN MECHANISM:

- The **Trade In Campaign** is applicable for:
    - Old Printers being traded in: any printer model from Honeywell and other Vendors.
    - New Printers being traded up: PC42, PC43, PD43, PM42, PM43, PXie, PX940 and MP Series.
- **Access the Honeywell Partner Portal and the Trade In Campaign`s dedicated Web Page** [here](#), provide the trade in details and **we will make you an Offer you will not want to miss.**
- **As an alternative**: Contact your Honeywell Account Manager or your preferred Honeywell Authorized Distributor and they will guide you trough the **Trade In Campaign** and provide **the best Prices** for your **New Printers.**
- **The Print Trade in Campaign has 2 Layers:**
    - **Layer 1:** Refresh up to (and including) 10 Printers to get additional discount of up to 450 € per Printer (depending on the Product Line).
    - **Layer 2:** Refresh more than 10 Printers - send the Serial Numbers of the Old Printers to us and get 5% Additional Discount on top of Layer 1.
    - **The requests for more than 10 Printers for which the SNs of the Old Printers will not be provided, will still qualify for Layer 1.**

CUSTOMER BENEFIT: GET ACCESS TO THE NEXT LEVEL IN PRINTING!

- **Reduce Costs** associated with Unreadable Barcodes.
- **Simplify your Print Workflow** by using Honeywell`s Smart Label Printers:
    - Deploy standalone applications onto the printer;
    - **Control other Devices** like Scanners, Keyboards etc. **directly from your Honeywell Printer. – eliminate the need of using a host PC for this purpose.**
- **Get 100% Accurate, Error Free labels with our ISO Certified Label Verification Software.**
- **Configure and update the firmware and print software** from Operational Intelligence, Honeywell`s proprietary MDM Platform. Evaluate how much you **Pay per a Print** with Operational Intelligence specific analytics.
