

2021 PROFIT PLUS

2021 Honeywell Regional Promotion

February 1 – June 30, 2021

We are pleased to extend this great promotion until June 30, 2021, continuing to give you an extra discount on eligible products.

HOW IT WORKS

Resellers should quote promotion code **"PLUS21H1"** to access the promotional price.

The promotion is available on purchases of the qualifying products in the promotion, which are shipped and invoiced between **February 1 and June 30, 2021**.

The promotion is exclusive to all Resellers authorized to sell Honeywell products in Europe.

The promotional price is a pass-through discount and should be deducted from the usual Reseller Buy Price, which is entirely the decision of the Distributor.

This promotion **cannot** be used in conjunction with Price Exception, Project Registration, or Demo Discounts.

The decisions of Honeywell in respect to any and all aspects of the promotion will be final and binding.
