

ECLIPSE 5145

2021 Honeywell Regional Promotion

February 1 – June 30, 2021

We are pleased to extend this great promotion until June 30, 2021 continuing to give you an extra discount on the Eclipse™ 5145 Laser Scanners.

This entry-level laser scanning solution is ideal for organizations with limited barcode scanning needs, and **now at an ultra-competitive price!**

Honeywell's Eclipse 5145 is a single-line, handheld laser scanner with a compact form factor perfect for retail applications. Honeywell's patented CodeGate™ technology allows the user to easily target the desired barcode and complete data transmission with a simple press of a button.

The Eclipse 5145 a perfect selection for menu scanning, point of sale, document processing, and inventory control. This entry-level laser scanning solution is ideal for organizations with limited barcode scanning needs.

HOW IT WORKS

Resellers should quote promotion code **"PROMO-1572"** when ordering to access the discount.

The promotion is available on purchases of the qualifying products in the promotion, which are shipped and invoiced between **February 1 and June 30 2021**.

The promotional price is a pass-through discount and should be deducted from the usual Reseller Buy Price, which is entirely the decision of the Distributor.

This promotion **cannot** be used in conjunction with Price Exception, Project Registration or Demo Discounts.

Standard lead times apply.

The decisions of Honeywell in respect of any and all aspects of the promotion will be final and binding.
