

KAPTIVO ROOMS

Bring the creativity and flexibility of whiteboarding into your video meetings

Designed for a seamless collaboration experience in meeting rooms of all sizes, Kaptivo Rooms supports native integration with leading video conferencing room systems enabling you to easily screen share your content in video meetings and promote more effective collaboration.

Remote collaboration made easy

Digitize and share existing regular whiteboards in any video meeting

Install Kaptivo's digital whiteboard camera above your existing whiteboard to stream images without glare, smudges, or people blocking the board

No apps, plugins, logins, or special pens required – in a meeting, simply select the Kaptivo input on your room system or computer

One product with native integration with:

- Cisco Touch 10
- Crestron Flex/AirMedia®/Mercury®
- Lifesize Share™
- Zoom Rooms
